EURASAP: European Association for the Science of Air Pollution  
GRICES: Office for International Relations in Science and Higher Education, Portugal  
NATO/CCMS: Committee on the Challenges of Modern Society  
University of Aveiro, Portugal  
Federal Environmental Agency of Germany  
Leibniz-Institute for Tropospheric Research, Leipzig  
IBM Lehre und Forschung  
c.a.r.u.s. Information Technology GmbH Berlin

## 28<sup>th</sup> NATO/CCMS International Technical Meeting on Air Pollution Modelling and its Application

# ITM 2006

*2<sup>nd</sup> Announcement*

**15-19 May 2006  
Leipzig, Germany**

## Conference Location

Leipzig is located in the east of Germany in the north-western part of Saxony and has currently about half a million inhabitants. The lively heart of the city comprises its historical centre, encircled by a green promenade. The university of Leipzig is one of the oldest of Germany. Leipzig was always a place where German culture was cultivated. As cantor of St. Thomas Church, Bach directed the old-established Boys Chor, while Goethe became inspired to write „Faust“ while his stay in Leipzig. The political importance of Leipzig in the 20<sup>th</sup> century was underlined in autumn 1989 when the Peaceful Revolution started with mass demonstrations and came true with the German reunification.

## Accommodation

A block of 120 rooms has been reserved in the "Galerie Hotel Leipziger Hof" and in the "Park Hotel Seaside" with special prices (prices include breakfast):

	Standard Single	Standard Double
